RE: PFC Application: 15-10-U-00-SUN

Dear Mr. Baird:

In accordance with section 158.30(e) Title 14, Code of Federal Regulations, Part 158 (14 CFR 158), the Federal Aviation Administration (FAA) acknowledges your notice of intent to use passenger facility charge (PFC) at Friedman Memorial Airport (SUN) on eight projects.

The authority to use a PFC is contingent on your continued compliance with the terms of Part 158 and any conditions included in this letter. Your notice of intent, submitted on August 20, 2015 has been assigned the following PFC number: 15-10-U-00-SUN.

The FAA does not have any particular objections to your proposed projects, or your notice of intent, in total. Therefore, the FAA acknowledges that you will begin using a total of \$1,001,990 in PFC revenue at SUN upon receipt of this acknowledgement. Furthermore, the FAA acknowledges that you will use PFC on the following projects identified below.

<u>Num.</u>	<u>Project Title</u>	<u>Type</u>	<u>Project Status</u>	<u>Approved PFC</u>
011	Relocate SRE/ARFF Building.	Use	Acknowledged	\$164,176
012	Relocate Terminal Area Apron.	Use	Acknowledged	\$100,000
013	Relocate Cargo Apron.	Use	Acknowledged	\$63,761
014	Relocate Hangars.	Use	Acknowledged	\$144,695
015	Rehabilitate Terminal Building.	Use	Acknowledged	\$331,170
016	Relocate North Taxiway.	Use	Acknowledged	\$24,000
017	Relocate Central Bypass Apron.	Use	Acknowledged	\$24,188
018	Runway Rehabilitation.	Use	Acknowledged	\$150,000
Total:				\$1,001,990

The public agency did not receive any disagreements as a result of their public notice and air carrier consultation meeting. All public agencies using PFC's are subject to reporting, recordkeeping, and auditing requirements as described in Part 158, Subpart D (section 158.61 et. seq.).

Be advised, section 158.33(a)(1) requires you to implement your use projects, that the FAA has not objected to, within 2 years of the date of this letter. Section 158.33(a)(1) requires the public agency to begin implementation of a project no later than 2 years after receiving clearance to use PFC revenue on that project.

A decision summary table showing the cumulative history of PFC decisions for SUN is enclosed for your use. We have also enclosed the list of advisory circulars with which you must comply in accordance with your certification of assurance number 9, Standards and Specifications. Also, you may wish to check out our website to confirm whether this action has been recorded on the 'PFC Approved Locations, Collections, and Expiration Dates' report. It is generated each month, and is located at: www.faa.gov/airports/pfc/monthly_reports.

If you have any questions pertaining to this application, please contact Mr. Jason Garwood of the Helena Airports District Office, at: (406) 449-5271.
